

Thank you for alerting UECU of your upcoming travel plans.

You made an excellent decision in taking your UECU VISA® *Power Card*™ and/or your UECU Advantages VISA® *Check Card*™ with you!

The credit union has a 24-hour service that monitors account activity and will block cards based on specific risk factors. Even though you have notified the credit union of your travel plans, your card may still be blocked and transactions may still be denied if the monitoring service is unable to reach you.

Should your card be denied due to suspicious activity...

During UECU normal business hours:

Contact the credit union at the phone # on the back of your card.

After UECU normal business hours ONLY, contact:

Within the U.S., call 800-369-4887 (toll-free)

Outside U.S., call 727-227-2447 (collect call)

Place international collect calls through the operator – our monitoring service will accept the charges.

This monitoring service will assist you only if your card has been blocked due to suspicious activity. If your card has been blocked for another reason, the service will tell you that your card information is “not in the system.” If this is the case, log in to your account through *Advantages Online*™ to view the available balance on your card or call UECU Member Service during regular business hours at 800-288-6423.

If your card is lost or stolen while you are traveling...

Should your *VISA Power Card*™ or *Advantages VISA Check Card*™ become lost or stolen while you are traveling, you can rest easy knowing you have global coverage with your UECU VISA product. With one phone call, VISA can provide:

Lost and Stolen Card Reporting – call or report your card lost or stolen to minimize fraud

Emergency Cash – Access emergency cash at 270,000 convenient locations worldwide.

Emergency Card Replacement – Request a card and you’ll usually receive it within 24 hours.

In the U.S., call 1-800-VISA-911. Or use the global numbers at www.visa.com/tollfreenumbers.

Enjoy traveling with UECU’s Credit and Check Cards...
