

Children's Online Protection Disclosure and Consent Form

Our home banking service is not designed for or directed specifically toward children. We do however offer savings accounts to minors under age 13 singly or jointly with an adult. We do not knowingly solicit or collect data from children in this age group and we do not knowingly market to children under age 13 online. We recognize that protecting children's identities and online privacy is a responsibility that rests with us and with the adult account owner.

We have determined that an owner on this UECU account is currently under age 13. As a result, UECU will require consent of an adult account owner on behalf of the child before this account can be accessed via *Advantages Online*™ and *PAL*™ (telephone banking). Please review the consent information below and sign this form if you wish to access this account via *Advantages Online*™ and *PAL*™. Please sign and date your consent and mail it to: Utilities Employees Credit Union, PO Box 14864, Reading, PA 19612-4864. Thank you for your cooperation in this matter.

Consent

Giving your consent below authorizes this website to collect and utilize personal information tied to this account when there is a request to access home banking services. This information may be shared with third parties who assist UECU in delivering these services. The only account information we share is the information needed to fulfill a requested online banking inquiry or transaction and for record keeping purposes. We only work with companies that agree to maintain confidentiality protections and limit the use of information we provide.

(Note: If you do not signify your consent by signing below, *Advantages Online*™ home banking services and *PAL*™ telephone banking service will be unavailable for this UECU account).
