C. Important Considerations

- If removing an individual(s) from this account, we recommend you change your *Advantages Online™* and *PAL™* passwords to prevent unauthorized use by the former joint owner(s) of the account. To prevent unauthorized use, UECU will remove all Home Banking access from this account unless authorized by an owner to continue the service. **Please initial here to continue *Advantages Online™* and *PAL™* access:** _____ (If any owner is under age 13, an adult joint owner must sign a consent form to enable access to *Advantages Online™*). Please check here to request a consent form be mailed to you.
- If you are receiving E-statements, please be sure the email address on your account is correct and not a former joint owner's email address.
- Please remember to change the beneficiary of any IRA or Saving Account Trust, if necessary.
- If there is a checking account under this member number, we will cancel any Debit Cards or ATM cards in the former joint owner's name. Please make sure you have all unused checks in your possession.
- If the joint owner being removed from the UECU account is also the owner of an external account linked to this account, the external account will be removed unless a new ACH Authorization Agreement is completed.
- If there are joint loans or VISA® Cards under this account, this member may not be able to be removed from this account. Please call the Credit Union to discuss your options to resolve this issue before sending in this form.
