New Checking Account Benefits Are on the Way

I am always very excited to share updates about new member benefits. But this one, in particular, is one of my all-time favorite ones to announce. On July 1, 2021, we're launching our enhanced checking lineup with extra money-saving perks. Our new Rewards Checking and Rewards Checking PLUS Accounts, powered by BaZing, will provide you with ongoing monthly savings and personal protection features. Not only will you get new benefits like roadside assistance, a health savings discount card, and cell phone protection¹, you'll also have access to our brand new app. The Member Perks App is loaded with local discounts and national retailer deals to save you money on travel, entertainment, dining, prescriptions, groceries, clothing, and so much more². You can continue to use the UECU Mobile Banking App for your daily financial transactions.

Keeping safety at the forefront, we also added an ID Theft Aid with fraud assistance services to help you combat identity theft. And because we know how much you love your *VantagePoints*TM rewards and ATM surcharge rebates, we kept those too! We also added a new checking account to our lineup, Freedom Checking. It's a basic checking account with full-service features like online and mobile banking, surcharge rebates, and debit card rewards.

If you currently have a UECU checking account, there's nothing you need to do. Your existing account will transition to one of our new checking accounts on August 1, 2021. We'll be sending a letter with important details in early July. I encourage you to read about your new account, so you don't miss out on all the money-saving benefits and personal protection features. These account changes will not impact your checks, direct deposits, automatic transfers, ACH payments, or your UECU Visa[®] debit card. If you don't have a UECU checking account yet, you can easily open one in *Advantages Online*TM, just visit uecu.org and log into online banking to get started. Should you have questions about the new checking accounts, please don't hesitate to contact us. Our Member Service Representatives are only a phone call away.

I hope you enjoy your summer and all the new ways to save with UECU!
