

Skip-A-Pay Terms and Conditions

Skip-A-Pay Program

The Skip-A-Pay program provides an opportunity for UECU members to skip their loan payment on eligible loans during the month that they choose. If you would like to participate in the program, you may request to skip your monthly loan payment, or two bi-weekly or semi-monthly payments or four weekly payments in a preselected payment period. Your request must be received seven days prior to the payment date.

Frequency

We offer Skip-A-Pay throughout the year; however, you will be limited to one Skip-A-Pay per 12 months and two Skip-A-Pays during the life of a loan.

Eligible Loans

Eligible loans include closed-end Personal, Auto, Boat, RV, Motorcycle, Home Equity Term and Share Secured loans. Skip-A-Pay is not available on Visa® *Power Card*™ accounts, Visa® Platinum Home Equity accounts, Home Equity or Personal lines of credit, mortgage loans, balloon loans, interest only loans, business loans and loans open less than six months. Troubled debt restructured loans and loans with collateral protection insurance placed by the Credit Union are also not eligible.

Member Eligibility

You must be paid current on all your loans and have not caused the Credit Union a loss to be eligible to participate. Other restrictions may apply. UECU has final approval on all payment deferrals and Skip-A-Pay requests. UECU reserves the right to modify the program, or any aspect or feature of the program at any time without prior notice.

How to Request a Skip Payment

Log in to mobile and online banking and select “Skip a Pay” from the drop-down list. Your eligible loans will be displayed along with a range of upcoming payment date(s) that may be skipped. Select a loan, a payment (or payments if frequency is less than monthly) to skip and designate a share account for the fee withdrawal. Your choices will be displayed on a confirmation screen. Check the “I agree” box to process your Skip-A-Pay selection. You may request a Skip-A-Pay for multiple loans if they are eligible. You may also call 800-288-6423 to request a Skip-A-Pay. Eligible loans and a range of upcoming payment dates available to skip will be discussed and confirmed by a UECU Member Service Representative. Your verbal authorization will initiate the processing of your Skip-A-Pay selection. You may request to skip payments for multiple loans, if they are eligible.

Fees

A non-refundable \$35 processing fee per loan will be deducted from your designated UECU Savings or Checking account at the time of your request. Funds sufficient to pay the fee must be available in your account in order to process your request. This fee is non-refundable.

Payment Information

Any payroll deduction payments received during the Skip-A-Pay period will be deposited to your Savings or Checking account. Auto Pay payments established through UECU (transfers set-up to automatically pull from a UECU deposit account or from another financial institution) will be stopped during the Skip-A-Pay period. However, automatic payments you set-up at another financial institution or scheduled via Bill Pay or as a recurring or future transfer in mobile and online banking must be cancelled by you during the Skip-A-Pay period. If a payment is made on your loan during the Skip-A-Pay period, the \$35 processing fee cannot be refunded. Your loan must be in a paid current status at least five days prior to the payment due date. If your loan is not current, the Skip-A-Pay will not be applied, and you will be required to make your scheduled loan payment(s). The \$35 processing fee is nonrefundable.

Loan Terms

Interest will continue to accrue on your loan during the Skip-A-Pay period. Your loan repayment schedule will be extended, and your final loan payment amount will change due to the accrued interest. Deferring your payment will result in paying additional interest. All other terms and provisions of your loan will remain the same. You will be required to resume your payments on the next applicable due date.
